

FUNDING OPPORTUNITIES

Elizabeth Munsterberg Koppitz Child Psychology Graduate Student Fellowship

The Elizabeth Munsterberg Koppitz Fellowship program supports graduate research projects and scholarships in child psychology.

Deadline: November 26, 2025

Amount: 5 fellowships of \$20,800

Sponsors: APF

This program is no longer accepting applications for the 2026 program year.

The Elizabeth Munsterberg Koppitz Fellowship program supports graduate research projects and scholarships in child psychology.

Program Goals:

- nurture excellent young scholars for careers in areas of psychology, such as child-clinical, pediatric, school, educational and developmental psychopathology
- support scholarly work contributing to the advancement of knowledge in these areas

Eligibility

APF encourages applicants from diverse backgrounds with respect to age, race, color, religion, creed, nationality, ability, sexual orientation, gender, and geography.

Applicants must:

- have completed doctoral candidacy at the time of application (documentation required)
- have demonstrated research competence and area commitment

Application Instructions

Application Requirements:

- dissertation project abstract
- project timeline
- project proposal
- detailed budget and justification
- abbreviated CV

- two letters of recommendation (one from a graduate advisor and the other from the department chair or director of graduate studies)

Funding Specifics:

- support for the 2026-2027 academic year only
- only one application accepted from any one institution in any given year
- tuition waiver/coverage from home institution

Evaluation Criteria

Applications will be evaluated on:

- conformance with stated program goals
- magnitude of incremental contribution
- quality of proposed work
- applicant's demonstrated scholarship and research competence
